PROMA DOORS

Proma is a leading European manufacturer of internal doors and factory finished doorsets.

Although only founded in 1989 Proma's pursuit for quality, innovation and service has allowed us to become one of Spain's best rated door manufacturers (Dun & Bradstreet) while at the same time allowing us to build an important presence in International markets. This has included high profile projects worldwide.

Proma's current major export markets include the British Isles, where we are a respected name in the trade, and other destinations worldwide.
